

## **Amazing Grace #5: “Heirs by Grace”**

**Memory Verses:** *“If you belong to Christ, then you are Abraham’s seed, and heirs according to the promise” (Gal. 3:29 NIV).*

**Bible Study:** Galatians 3:21 – 29 answer questions:

1. The promises of the law were given TO those “who believe”; by faith in WHO provided these promises?
2. What was our relationship with the law BEFORE faith came? How did our relationship with the law change because of the coming of Christ?
3. How do people become a child of God? To what are they entitled?

**Life Application Discussion:**

1. Share with others in your group when you received the grace of God through Christ.
2. Describe what part of your inheritance, as a child of God, you will stand in faith to receive. Declare (or ask the group to help you find) the biblical promise.
3. Tell members of the group what it means for them to be your family.

**Prayer:** Dear Lord, thank You that You have accepted us into Your family. There are so many benefits You’ve made available as an inheritance we have yet to discover. Please reveal them to us so we may, by faith, receive them.
