- b. _____
- c. _____
- d. _____
- e. _____

- g. _____

Read Hebrews 1:5 - 13 (also Psalm 2:7; Matt. 3:17; Deut. 32:43 (Septuagint: *people, / and let all the angels worship him*); Psalms 45:6, 7; 102:25 - 27; 110:1; Luke 2:13 - 15

“But be DOERS of the Word and not hearers only...” James 1:22 What Now? Application time:

1. If God seeks to communicate with me how do I know it is Him speaking? What is the best example I have of His voice?
2. If I believe “Jesus is God” how does that truth affect the way I live my Christian life?
3. If I have a visitation from an angel with a revelation from God what would I do? How would I respond?
4. If I am an “heir of salvation” then what should I expect from angelic activity in my life?

Summary: *The coming of Jesus Christ is the only time in human history when God became a human being. Since He is God, we need look no further to find Him. God is not an invisible force but a Person SO oneness with Jesus is oneness with God. If we were to encounter an extraterrestrial being with a message from the “other world” we must ask, “Where is this special message revealed in the person of Jesus Christ or in the Word (Bible)?” Jesus is the Living Word of God in human terms. Any revelation would have to line up with Jesus and the Word or it would be immediately rejected. God has given His angels to protect us and to deliver God’s inheritance to us. Jesus sent His Holy Spirit and the Word to guide us while He is in heaven (John 14:16 - 18; 16:7 - 15).*
