### Memory Verse:

*“Neither circumcision nor uncircumcision means anything; what counts is the NEW CREATION.” Galatians 6:15 NIV*

**Bible Study:** Read Galatians 6:1-5, 12-18 answer questions:

1. What is the proper response to someone who is caught in a sin?
2. If we carry other people’s burdens whose law does that fulfill?
3. We never boast “except \_\_\_\_\_” (v 14)
4. If circumcision doesn’t mean anything, what does?

### Life Application Discussion:

1. Share with your group an example of how other Christians have helped you carry your burdens.
2. Discuss how this study Amazing Grace has helped you.
3. Discuss how we can take these lessons learned to family, work, and the world around us.

**Prayer:** Lord Jesus, we boast in Your work on the cross and not in ourselves. Thank you that we have been crucified to the world and the world is dead to us BECAUSE of the new creation. Your life in us freed us from the power of this world. We pray for members of our group that the grace of our Lord Jesus Christ will always be in their spirits. In Jesus Name, Amen.
